## WHY OUR CAMP?

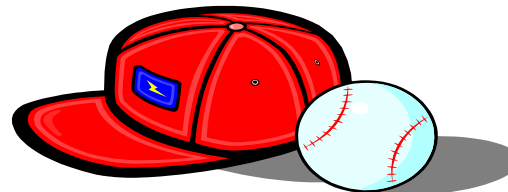

For the price of a babysitter, you can send your child to an excellent baseball camp. You will not find a quality camp like this for the cost anywhere. Athletic camps are a way of life for the new generation. It has been proven that most athletes that excel in their high school and college careers, started learning to play the game at an early age. For a small price, we feel your child will be getting an excellent opportunity to learn and develop the skills necessary to be successful in baseball.

**SKILL DEVELOPMENT** is a high priority at this age level: we teach it the right way at an affordable price.

**Mr. Dennis Miles** is a graduate of Brockport State College where he lettered in varsity baseball for 3 years and varsity soccer for 2 years.

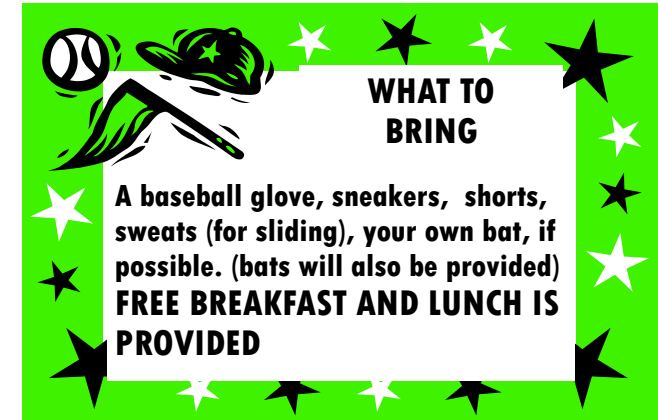

As a high school coach, Mr. Miles has compiled a 749/250 win/loss record while capturing 13 Sectional titles, both are the most in Section V history. Mr. Miles has served as a guest lecturer at several clinics. Mr. Miles was inducted into the New York State Baseball Hall of Fame in 2021.

**The rest of the staff will be composed of players and coaches from the Avoca-Prattsburgh High School program.**

## CAMP LOCATION

**Avoca High School Gym/Athletic Fields**  
**17 Oliver Street**  
**Avoca, NY 14809**

### CAMP PROGRAM:

- ◆ Our camp program is going to stress the four basics of the games of baseball: hitting, pitching, catching, and fielding. Other areas to be covered will be: bunting, base running, base stealing, sliding, glove selection, out-field play, cut offs, double plays, run downs, and game situations. The ability level of the camper makes no difference, however, we hope that the ballplayers who attend our camp like the game of baseball and have a strong desire to LEARN.
- ◆ Every Camper will be videotaped while hitting to identify strengths and areas that need improvement.
- ◆ Games will be played each day to provide campers with the opportunity to apply skills taught while having fun and learning strategies.
- ◆ Each day will end playing good old fashioned dodge ball., a great activity for throwing, hand eye coordination, and loads of fun.
