Dear Avoca Central School Community:

We are shocked and saddened to hear the news of yesterday's car crash involving four Avoca students. Our thoughts are with their families, friends and the members of our school community during this difficult time.

Our school counselors will be available in the auditorium for students and members of the school community throughout the school day and after school beginning this morning. We will also have counselors from our regional crisis team on site for additional support for our students and staff.

Our primary goal today and in the weeks to come will be to help the students, staff and community through this tragic situation. If your child is in need of additional support or you have questions about how to support your child or available resources please contact their school counselor or principal at 607-566-2221 ext. 1121 or ext. 1125.

Sincerely,

Stephen C. Saxton
Superintendent
