Avoca Central School Mission Statement

The mission of Avoca Central School is to develop every child as a respectful, responsible person who is motivated and prepared academically, as well as socially, emotionally, and physically, to meet life's challenges. We will accomplish this mission by providing a coordinated curriculum implemented by a creative, collaborative staff in a supportive environment.

District Goals

Student Achievement:

The Avoca Central School District is committed to educating the whole child by utilizing a data-driven approach to support and enhance excellence through its curriculum, instruction and programs. The District is committed to providing all students access to high quality leadership, teachers, staff, and personalized learning experiences and opportunities that motivate each student to reach his or her fullest potential and graduate college and career ready.

Culture & Climate:

The Avoca Central School District is committed to cultivating a safe and positive learning environment that fosters the development of socially responsible and ethical citizens who are engaged in learning that promotes curiosity, inquiry, understanding, dignity and respect for the diversity of all individuals and cultures to prepare students to live and excel in a 21st century global society.

Technology:

The Avoca Central School District is committed to the development of technologically advanced school that provides both students and staff with innovative technology that enhances curriculum and instructional practice, promotes real-world application, and engages students to become proficient in technical literacy and skills essential for entering the global workforce.

Community Engagement:

The Avoca Central School District is committed to recognizing the importance of community to the educational process and to cultivating positive relationships that support high levels of collaboration and two-way communication, providing opportunities for parents and community members to actively engage in the education and development of our students.

Human Resources:

The Avoca Central School District is committed to recruiting, developing, and retaining highly qualified teachers, administrators and staff, to promoting positive employee - employer relations that foster a safe, welcoming and respectful workplace, and to providing professional development focused on student achievement.

Professional Development Philosophy

Professional development at Avoca Central School is a vital component of our commitment to providing quality education for all students. We are committed to high-quality, research-based professional development that provides ongoing opportunities for growth for teachers and staff, that enable us to achieve shared district goals and initiatives. Learning opportunities are grounded in the district's mission, and are implemented in ways that support and promote continuity and sustainability in instructional practice, collaboration, and self-reflection.

We strive to provide professional development in alignment with the New York State Professional Development Standards (<http://www.highered.nysed.gov/tcert/pdf/pdstds.pdf>):

1. *Design*: Professional Development design is based on data; is derived from the experience, expertise and needs of the recipients; reflects best practices in sustained job-embedded learning; and incorporates knowledge of how adults learn.
2. *Content Knowledge and Quality Teaching*: Professional development expands educators' content knowledge and the knowledge and skills necessary to provide developmentally appropriate instructional strategies and assess student progress.
3. *Research-based*: Professional development is research-based and provides educators with opportunities to analyze, apply, and engage in research.
4. *Collaboration*: Professional development ensures that educators have the knowledge, skill, and opportunity to collaborate in a respectful and trusting environment.
5. *Diverse Learning*: Professional Development ensures that educators have the knowledge and skills to meet the diverse learning needs of all students.
6. *Student Learning Environments*: Professional development ensures that educators are able to create safe, secure, supportive, and equitable learning environments for all students.
7. *Parent, Family, and Community Engagement*: Professional development ensures that educators have the knowledge, skill, and opportunity to engage and collaborate with parents, families, and other community members as active partners in their children's education.
8. *Data-Driven Professional Practice*: Professional development uses disaggregated student data and other evidence of student learning to determine professional development learning needs and priorities, to monitor student progress, and to help sustain continuous professional growth.
9. *Technology*: Professional development promotes technological literacy and facilitates the effective use of all appropriate technology.
10. *Evaluation*: Professional development is evaluated using multiple sources of information to assess its effectiveness in improving professional practice and student learning.

Integration of Professional Development

Professional development is centered around building meaningful and authentic connections between curriculum, instruction, and assessment, and strengthening social-emotional development across grade levels. All teachers (including teaching assistants and long-term substitutes) are provided professional development opportunities designed to address students' needs and enhance instructional practice to support student achievement toward proficiency in NYS learning standards. Multiple sources of data are utilized to identify areas of strength and areas of need on an ongoing basis, including, but not limited to:

- School report cards
- iReady Benchmark Assessments for Reading and Math
- Fountas and Pinnell Benchmark Assessment System (K-5)
- Leveled Literacy Intervention Assessments (RtI)
- Summative assessments
- Formative assessments
- Grade 3-8 NYS ELA and math assessments
- NYS Regents exams
- Student surveys
- Staff surveys
- Feedback from members of the PD Committee
- Formal and informal teacher observations

During the 2020-2021 school year, five days are designated as Superintendent Conference Days. In addition, one day is scheduled as an Early Release Day. Therefore, instructional staff have an opportunity to potentially participate in approximately 30 professional development hours per year within the district. This will allow teachers holding a professional certificate to complete 100 hours of CTLE credit every five years, as required by NYSED. A variety of additional professional development opportunities are also offered through our regional BOCES and in our surrounding area.

Staff members who work with students with disabilities have opportunities to deepen their understanding of students' unique needs and development through local BOCES trainings, as well as professional development offered in the region.

At the conclusion of each Conference Day and Early Release Day, all staff will have an opportunity to complete a survey to share their feedback related to the activities they participated in.

A Professional Development Committee will meet within approximately two weeks after each Conference Day or Early Release Day to discuss feedback received from staff on the most recent professional development provided. This feedback will be used to guide future planning to ensure subsequent collaboration and PD opportunities meet the needs of staff in a meaningful and timely manner.

Professional Development Goals

1. To build a literacy program that promotes an understanding of literacy behaviors and instructional consistency across grade levels
2. To create a culture of student empowerment through the development of student leadership and a sense of community
3. To expand instructional staff members' abilities to use online resources to provide high-quality and meaningful instruction in traditional, blended, and at home learning environments.
4. To deepen understanding and capacity around mental health and social-emotional development

Action Plans

(Please see Appendix A for a list of all anticipated workshop topics, trainings, and consultants to be utilized by the district.)

Goal 1: To build a literacy program that promotes an understanding of literacy behaviors and insures instructional consistency across grade levels.

OBJECTIVE:				
To fully implement the <i>Fountas and Pinnell Classroom</i> and <i>Units of Study</i> writing program with fidelity across elementary grade levels.				
ESSENTIAL QUESTION:				
Is ELA/literacy instruction across grade levels meeting the needs of our student population?				
ACTIVITIES AND STRATEGIES:				
Cohesive use of elements of the literacy program during the ELA block by all teachers kindergarten through fifth grade.

Goal 2: To create a culture in which all students are able to develop leadership skills.

OBJECTIVE:				
To establish a range of opportunities for students to develop and demonstrate leadership skills through the <i>Leader in Me</i> programmatic framework.				
ESSENTIAL QUESTION:				
How do we present our students with opportunities to develop confidence in themselves that will allow them to make meaningful contributions throughout their lives?				
ACTIVITIES AND STRATEGIES:				
Become familiar with the <i>Seven Habits of Highly Effective People</i> and develop a common language throughout the school.

Goal 3: To expand instructional staff members' abilities to use online resources to provide high-quality and meaningful instruction in traditional, blended, and at home learning environments.

OBJECTIVE: To implement the use of available digital resources to provide students with opportunities to create, research, and share ideas using technology in authentic and meaningful ways in a range of learning environments.				
ESSENTIAL QUESTION: Are we using technology to engage students and insure academic progress in traditional, blended, and at-home learning environments?				
ACTIVITIES AND STRATEGIES: Provide ongoing opportunities for instructional staff to deepen their knowledge of digital resources and enhance instructional application of such tools to promote student achievement across all potential learning environments.

Goal 4: To deepen understanding and capacity around students social- emotional needs and mental health

OBJECTIVE: To provide opportunities for staff to integrate practices, processes, and structures that support social-emotional development.				
ESSENTIAL QUESTION: Are the structures and supports we have in place adequately meeting the social-emotional needs of our students?				
ACTIVITIES AND STRATEGIES: Implement procedures and practices to support district infrastructure and communication around mental health awareness, building relationships with students, and providing access to support services to promote mental health and well-being

Provisions for Mentoring Program

The Avoca Central School District’s Mentoring Program is defined by the Board of Education policy, as outlined below:

First year teachers must participate in a mentoring program as a component of the School District’s Professional Development Plan. The purpose of the mentoring program is to increase the retention of new teachers and improve their ability to assist students in attaining State learning standards. The mentor’s role is to provide guidance and support to a new teacher. However, additional mentor responsibilities may be negotiated and reflected in a collective bargaining agreement. (Policy 6160; Adopted 9/15/15)

In accordance with Commissioner’s Regulations, the elements of the mentoring program include:

Procedure for selecting Mentors	<p><i>A committee made up of three teachers, appointed by the association, and two administrators will select and match the mentor with the teacher.</i></p> <p><i>When selecting the mentor teachers, the committee will ensure that each mentor has:</i></p> <ul style="list-style-type: none"> ● <i>Volunteered to be a mentor</i> ● <i>Tenure in the district</i> ● <i>An awareness of the subject matter/curriculum</i> ● <i>Knowledge of instructional/learning theory</i> ● <i>Demonstrated transfer of theory into practice</i> ● <i>Effective interpersonal communication skills</i> ● <i>An understanding of the concept and value of continuous professional development</i> ● <i>An understanding of the importance of confidentiality.</i> <p><i>Wherever possible the Teacher Mentoring Committee shall match the mentor and the new teacher in each of the following areas:</i></p> <ul style="list-style-type: none"> ● <i>Tenure</i> ● <i>Certification</i>
Role of the Mentors	<p><i>Teacher mentors support and advise new teachers with the intention of building skills that directly affect students’ performance and maintain retention of quality new teachers.</i></p>
Preparation of Mentors	<p><i>It shall be the responsibility of the Teacher Mentor Committee to assign a mentor to assist those teachers with less than three years’ experience. Once assigned the mentor, the mentor coordinator and the committee will provide each new mentor with training. The mentor will then meet with the new teacher to develop a mentoring program which is consistent with the guidelines set forth in the program guide.</i></p>
Types of Mentoring Activities	<p><i>Monthly Meetings (possible topics to discuss)</i></p> <ul style="list-style-type: none"> - <i>Curriculum</i> - <i>Unit and Lesson Planning</i> - <i>Instructional Techniques</i> - <i>Management Strategies</i> - <i>Teacher Responsibilities and Timelines</i> - <i>Parent/Teacher Conferencing</i> <p><i>Informal Observations (by both mentor and mentee)</i></p>
Time Allotted for Mentoring	<p><i>The mentor and the mentoring coordinator will plan for release time when the mentor may observe the teacher and assist in classroom/curriculum planning. This shall not conflict with the mentor’s lunch and prep periods.</i></p>

Provisions for School Violence Prevention and Intervention Training

Avoca Central School District is committed to hiring teachers who have fulfilled the requirements of certification, including participation in workshops covering school prevention and intervention. Such workshops shall consist of at least two clock hours of training that includes, but is not limited to, study in the warning signs within a developmental and social context that relate to violence and other troubling behaviors in children; the statutes, regulations, and policies relating to a safe nonviolent school climate; effective classroom management techniques and other academic supports that promote a nonviolent school climate and enhance learning; the integration of social and problem solving skill development for students within the regular curriculum; intervention techniques designed to address a school violence situation; and how to participate in an effective school/community referral process for students exhibiting violent behavior.

Upon request or determination of necessity, Avoca Central School District will provide refreshers on school violence prevention and intervention.

In instructional settings, Avoca Central School District will also utilize the interpersonal violence prevention education package provided by the State Education Department. These materials may be incorporated as part of the health or other related curricula or programs for students in grades K through 12.

Provisions for Teachers Certified in Bilingual and English Language Learners (ELL) Education

Teachers possessing a Professional certificate in the certificate title of English to speakers of other languages (all grades) or a holder of a bilingual extension under section 80-4.3 of this Title must complete their CTLE hours with a minimum of 50 percent in language acquisition aligned with the core content area of instruction taught, including a focus on best practices for co-teaching strategies, and integrating language and content instruction for English language learners.

Avoca Central School District teachers will utilize the expertise and training provided by the Regional Bilingual Education-Resource Network to fulfill these requirements.

Avoca Central School meets the qualifications for exemption from the professional development requirements in language acquisition for ELLs based on our student population*. The District will apply for the professional development ELL waiver, which exempts faculty and staff from professional development requirements in language acquisition for ELLs for the 2020-2021 school year.

**There are fewer than 30 English language learners enrolled or English learners make up less than five percent of the Avoca Central School District's total student population as of such date as established by the Commissioner.*
